PERSONAL STATEMENT

My name is Marija Zdolsek and I am a full-stack developer working @ Indigo.ai, Milan based startup that works in Conversational Artificial Intelligence.

I started to work in Indigo.ai, immediately after I graduated at Politecnico di Milano, I started as an Machin Learning Intern, but after my internship I decided to change my job role and to focus more on developing platform for creating virtual assistants.

WORK EXPERIENCE

1 October 2018–Present

Full-stack Developer

Indigo.ai, Milan (Italy)

Indigo.ai is a full-service conversational AI studio, busy designing and building beautiful chatbots, language technologies and conversational experiences. Our platform is based on proprietary Natural Language Processing (NLP) framework that identifies users requests (both voice and text) and delivers tailored answers.

EDUCATION AND TRAINING

1/10/2015–24/07/2018

Master of Science Degree in Mathematical Engineering

Politecnico di Milano, Milano (Italy)
